Creative Design & Development

Riga, Latvia based creative agency specialising in web design, development and advertising.

DESIGN & DEVELOPMENT

About Us

Founded in 2022, Request transforms visions into reality with a team of experts in web development, social media management, creative design, and e-commerce solutions.

Based out of Riga, Latvia, we mainly serve the Baltic States region and Europe with our main target markets being Latvia, Estonia and Lithuania.

We are dedicated to quality and creativity, ensuring that every project we undertake reflects our clients' ambitions, showcases our expertise and empowers their business.

OUR PROJECTS

Clients

Throughout the years, we've had the honor of partnering with a diverse range of clients, from local startups to renowned global brands, with each collaboration being a testament to our adaptability and proficiency.

These partnerships have allowed us to gain invaluable insights across various industries, enriching our understanding and enabling us to tailor our services to meet the distinct needs of each client.

& more

OUR OFFERING

Core Services

Believing in the power of collaboration, we work closely with our clients to understand their unique challenges and goals.

We offer a wide range of core services designed to elevate your brand and enhance your digital presence.

Web Design

Crafting visually appealing and user-friendly websites that enhance user experience, effectively communicate your brand message, and ensure seamless functionality across all devices.

E-commerce

Building online stores with seamless shopping experiences, secure payment gateways, and efficient inventory management to boost sales and customer satisfaction.

Social Media

Creating engaging content and strategies to enhance your online presence, connect with your audience, and drive brand loyalty across various social media platforms.

Creative Design

Developing innovative and captivating designs for branding, marketing materials, and digital content to make your brand stand out in a competitive market.

OUR TECHNOLOGY STACK

Technologies & Platforms

We harness the power of cutting-edge technologies and versatile platforms to provide innovative, robust, and scalable solutions tailored to our clients' needs.

By utilizing a diverse array of tools and platforms, we ensure that each solution is not only effective but also adaptable to the ever-evolving digital landscape.

Whether it's developing a comprehensive digital marketing strategy, building a secure and high-performing website, or creating an engaging user interface, our team has the expertise to deliver exceptional results.
